**Ms. Ayesha Wadood**

(SS, NIAB)

**Ms. Maria Ghaffar Awan**

(SS, NIAB)

## SCIENTIFIC WRITING

"Publish or perish" is a phrase coined to describe the pressure in academia to rapidly and continually publish academic work to sustain one's career. Frequent publication is one of the few methods at scholar's disposal to demonstrate academic talent. Successful publications bring attention to scholars and their sponsoring institutions, which can facilitate continued funding and an individual's progress.

### Workshop benefits

- Online earning opportunities as profession content writer
- Preparation of first draft of thesis or report
- Preparation of first draft of your research /review paper from thesis or report

- Greater awareness of your own strengths and weaknesses as a writer
- Improved ability to communicate ideas, support hypothesis, and analyze results
- A better sense of how to structure manuscripts to be as informative as possible
- Understanding of each section of a manuscript
- Training in responding editors and reviewers comments
- Improved overall writing skills.
